

Academic Leadership Essentials

Learning Goals:

At the conclusion of **Academic Leadership Essentials**, participants will have the knowledge and tools to:

- Recognize the challenges to department-driven assessment and explore solutions
- Explore questions to prepare for crafting or revising student learning outcomes
- Examine the steps needed to help organize raw data into useful information and actionable steps
- Implement strategies that nurture more closely aligned definitions of rigor and enhance the quality of course evaluations, promote learning, and increase retention
- Identify weaknesses in your institution's faculty evaluation process and leverage resources to strengthen the process
- Define the SOAR (strengths, opportunities, aspirations, results) method, why it works, and how to apply it to your faculty development program

- Involve stakeholders in the faculty development program planning and execution process
- Appreciate how mentoring and coaching can be used at various stages of a faculty career

Academic Leadership Essentials

brings together experienced academic leaders ready to share their best practices for:

- Leading an academic unit
- Evaluating and assessing academic programs and faculty
- Mentoring and coaching the faculty you work with
