

Start Teaching Online

Learning Goals:

At the conclusion of **Start Teaching Online**, participants will have gained the knowledge and insight to:

- Discover important design concepts to aid in easier course delivery
- Identify considerations for online classes that may not exist for face-to-face classes
- Exemplify consistent engagement through a cadence of announcement frequency
- Understand the importance of aligning technology selection with pedagogical goals
- Use a variety of engaging opening activities to start remote class with strong learning momentum
- Design effective methods to build strong relationships with and among online students
- Apply principles of positive psychology and neuroscience to create a climate of academic honesty for individual assessments
- Manage online instructional time with respect to activities that have the greatest impact on student learning

If you're feeling overwhelmed with online teaching and just don't know where to begin, **Start Teaching Online** will be your quick, easy, and convenient guide to the world of online teaching!

Course Length: 9 hours
Course Access: The course enrollment will expire one year from date of purchase.

Who Will Benefit From This Course:

- Faculty preparing to teach online
